

# Electronic Music Ensemble

Joo Won Park

## I. Characteristics of Electronic Music Ensemble

- mainly consists of electronic instruments
- performs uniquely electronic music
- performs pieces best experienced live

*Singaporean Crosswalk (2016)*

## II. Technical Motivations

- Prioritize in Transferability

*PS Quartet No. 1 (2017)*

- Minimum Technical Barrier

*Dubious Toppings (2019)*

- Non-ensemble/performer specific composition

*PS Quartet No. 2 (2019)*

- In other words, increase chance of repeat performance and refinement

## III. Aesthetics

- *On Off Fade (2018)* : how to stop
- *Beat Matching (2018)* : acoustic-electronic
- *Control Click (2016)* : what is an ensemble?
